**WE'RE  
GREEN  
AND THE FUTURE  
IS ROSY.**

We were green before it was popular to be. In fact, for years, we've accomplished what many other manufacturers believe impossible: the successful balancing of environmental responsibility with lean, low-cost manufacturing principles.

**Smarter. Stronger. Growing. AIS.**

**WE STARTED STRONG.  
AND BECAME  
400 PERCENT STRONGER.**

Between 2002 & 2007 alone, our sales grew from \$55 million to over \$160 million - a 300% increase. 400 percent ahead of the industry. By staying smart and strong we continue to grow. Not all our competitors can say the same company that can. AIS does.

**WE  
OVERACHIEVE  
TO HIGH STANDARDS,  
YOURS.**

Because of our unique manufacturing philosophies, AIS has continued to grow, consistently achieving always offering a level of products and support few other companies can match. It's why we have one of the most impressive stories of growth and success in the overall furniture industry.

**IMAGINE SMILING AT THE WORDS "TEMP AGENCY."**

Imagine it's 3 a.m. Sunday. Imagine a good feeling as you pick up the phone and hit the speed dial. Imagine knowing you'll get to talk to a real person, not a machine. Because this is a company of people who are available every day of the week, any hour of the day, 24/7. Imagine yourself relaxing. Smiling. Imagine EmploymentGroup. Good people.

**IMAGINE ALL YOUR STAFFING SURPRISES BEING PLEASANT ONES.**

Imagine this: a candidate with more potential than you anticipated. A new associate with an attitude—a really good attitude. Imagine a team of staffing partners who'd rather exceed your expectations than merely meet them. Imagine all the little things going surprisingly well today, starting with a phone call to us. Imagine EmploymentGroup. Good people.

**IMAGINE LOOKING FORWARD TO CALLING THE EMPLOYMENT AGENCY.**

Imagine you've just finished a meeting. Your need for staffing has suddenly gone from a "maybe" to an emergency. But you stay calm. You nod and smile at your boss. You go back to your office knowing the problem isn't yours. Imagine turning it over to seasoned staffing experts, dependable hard-working partners who know your business. Imagine EmploymentGroup. Good people.

**Ever Visit Darwin, Minnesota?**

**Your mortgage may have.**

Darwin is home to the World's Largest Ball of Twine—it shouldn't be home to your mortgage.

Many of today's lenders automatically sell or transfer the servicing of home loans to other institutions, often out of state. At Fidelity Savings Bank we believe the servicing of your loan should stay in Minnesota, not in some far away city or town.

That's why most of our loans are serviced right here, at home. Where we can answer your questions, take your payments, handle your escrow accounts to pay your insurance and taxes, and take care of the other responsibilities that should be handled close by.

Keep your mortgage close to home. Visit Home. And then, the only time you'll learn about the World's Largest Ball of Twine is when you're on vacation.
